

## Getting Around Walt Disney World Caribbean Beach Resort

Walt Disney World Provides free transportation to almost every destination on property. Disney Transportation System bus service from Caribbean Beach Resort does not share with any other resort.

### **From Caribbean Beach Resort to:**

#### **Magic Kingdom, Hollywood Studios, Animal Kingdom, Epcot:**

Take appropriately marked bus directly to the park

#### **Disney Springs Area:**

Take bus marked for Downtown Disney Area

#### **Blizzard Beach Water Park:**

Take bus marked for Animal Kingdom / Blizzard Beach

#### **Typhoon Lagoon Water Park:**

Take bus marked Disney Springs / Typhoon Lagoon

#### **Other Resorts for Dining:**

Bus service does not run between resorts. You will need to travel to the nearest park and transfer to another bus. My recommendations are as follows:

- Polynesian, Contemporary, Grand Floridian – Take the bus to the Magic Kingdom, then take the monorail or water taxi to your resort. Guests can also walk to the Contemporary Resort after arriving at Magic Kingdom
- Fort Wilderness Campground – Take the bus to Magic Kingdom, then take the water taxi to the Campground. Pioneer Hall is within walking distance.
- Wilderness Lodge – Take the bus to Magic Kingdom, then take either a bus or water taxi to Wilderness Lodge
- All other Resorts – Take the bus to Epcot or Hollywood Studios and then transfer to the bus for the resort of your choice

**Taxi Service** – Mears Taxi is the preferred taxi service of Walt Disney World, and provides service to all locations within Walt Disney World, as well as off-property. They can be reached at (407) 699-9999.
