

SPECIAL OFFER

During your stay, you may find an offer for free dining or other discounts in your resort room documents. These offers require you to book your next vacation while you are on your current visit.

If you should decide to book this vacation for next year, **CALL ME RIGHT AWAY**. I will be able to handle all the details while you are enjoying your vacation.

If you are sailing on a Disney Cruise Line ship, in lieu of calling, be sure to let the reservation attendant know that you want to book with "My Mickey Vacation Travel" and provide our CLIA number which is 00432552.

Please let me know if you have any questions.
